## *Editor's Note*

The editors and staff of the McGeorge Law Review are proud to provide you with the Review of 2003 California Legislation. This edition compiles the work of our writers who have worked diligently since May of 2003 to analyze and evaluate significant laws enacted during the 2003 legislative session. Publication of this edition culminates over a year of planning, writing, editing, revising and proofreading articles covering a variety of significant legislation.

The Volume 36 Board of Editors wishes to thank everyone involved in the process of publishing these pieces, including our Computer Publishing Specialist Pauline Rodriguez. Additionally, we would like to thank the Legislation Staff Writers for their patience, determination and diligence.
